

Call for Artists and Art Enthusiasts

Jo Allen Publishing. Your Path. Our Imagination.

Jo Allen Publishing, Jo Allen, and others are pleased to present the Call for Artists to our first book. One purpose of this book is to give all artists a chance to see their work in a professionally-printed book, with credits.

The artwork will be selected solely on its own merit, not on the qualifications of the artist. If you notice, we don't insist on a resume or a list of exhibitions. All applicants will be given equal opportunities within the guidelines of this Call for Artists.

Inside you will find instructions, an application form, and a checklist. If any other information is needed do not hesitate to contact us via the contact information within these pages or on our website (listed at the bottom of all pages).

The creators hope that you will find inspiration in your art and life, and wish you a well and productive present and future.

Call for Artists and Art Enthusiasts

This is your chance to have your artwork published! Jo Allen Publishing is compiling a book of art about Route 66. We are looking for all forms of art including (but not limited to): painting, sculpture, drawing, needlepoint, photography, quilting... Let your creativity show through in your submissions. All artwork must be the original work of the submitting artist. This includes the idea and concept. The artist may NOT use other artwork, photos, books or any printed material as examples to complete their artwork. The submitting artist must be the artwork's owner.

All artists accepted for publication in the book will have their name and contact information (phone and/or email if desired) indexed in the book. This book will be suitable as a gift to others and will be a treasured addition to libraries, bookshelves, and coffee tables for years to come.

In order to keep the book family oriented we request absolutely NO nudes or clearly suggestive artwork. If your artwork is a portrait, please include a copy of the release form signed by the subject of the artwork with your submission (or if applicable their guardian). Identify your submission title on the copy and sign and date your copy of the release form.
